

# Automotive Technician (Launceston)

---

Motors Launceston provides a first class service and repair facility. Our team of mechanics are highly trained, committed and professional. We are now looking to employ a fully qualified and experienced Motor Mechanic / Auto Technician to join the team.

Candidates for this position will have the ability to diagnose and repair all models of passenger vehicle and carry out the fitment of new components. They will be self motivated, committed to quality and customer service, and have the ability to work independently as well as part of a team. Air conditioning experience would be an advantage.

The successful person will share in the many benefits and opportunities provided by such a large and progressive company including a competitive wage, plus performance based bonuses, career advancement, Factory Technical and Product Training, working with some of the latest hi-tech vehicles and diagnostic equipment and the support and guidance of a team of highly qualified trades people and supervisors.

For a confidential interview, phone Graeme Arnold on 63329170.

Applications are invited to be submitted to:

Graeme Arnold  
Service Manager  
Motors Launceston  
Po Box 412  
Launceston TAS 7250

Or email [graemea@motors.com.au](mailto:graemea@motors.com.au)  
Applications close Friday 30th July 2010.
